Dear Ms Daymond

Proposed Disposal of Crown Land with 32 Green Road Warrimoo; File reference: 19/08762 Cluster: 612819

The Blue Mountains Conservation Society is a community based volunteer organisation with over 850 members. The goal of the Society is to promote the conservation of the environment in the Greater Blue Mountains region.

It has recently been brought to our attention that the owners of 32 Greens Road Warrimoo (Lot 45 DP 751654) in the Blue Mountains applied towards the end of 2020 to purchase from Crown Lands the Unformed Road Reserve extension of Greens Road that runs along the western edge of their property (Appendix 1 – section in pink). We understand that formal submissions about the **privatisation of this public asset** have closed but that a final decision has not been made. We hope that you will consider our comments about this important issue.

We do not support the purchase application. The attached submission outlines in detail why this important public asset should not be sold to the nearby landholder.

We look forward to reply to our submission. If you have any queries in regard to this submission please contact me.

Yours sincerely

Tara Cameron
