

Protect Our National Parks Rally

Sunday, 24 February, 2pm
Lawson Mechanics Institute

Our national parks are under threat from -

- ✘ invasive species
- ✘ horse-riding
- ✘ joy flights
- ✘ climate change
- ✘ development proposals
- ✘ rapidly increasing tourism
- ✘ flooding (dam wall raising)
- ✘ Western Sydney Airport.

while the resources to protect them continue to be reduced.

Show our political representatives and candidates in the coming federal and state elections how much we care about our national parks!

**Come to our rally to
Protect our National Parks.**

Speakers include -

- **Anne Dickson** - President of National Parks Association
- **Carolyn Pettigrew** from Parkwatch
- **Keith Muir** - Director of Colong Foundation for Wilderness
- **Joan Domicelj** - Former Chair, Greater Blue Mountains and Australian World Heritage Committees
- **Madi Maclean** - President of Blue Mountains Conservation Society.

Plus Ecopella - an environmental choir to provide inspiring songs.
